

SHARED OWNERSHIP

Garden City Homes

SHARED OWNERSHIP ALLOWS YOU TO BUY A SHARE IN A NEW HOME. THIS SHARE WILL RANGE FROM BETWEEN 25% TO 75%, DEPENDING ON WHAT YOU CAN AFFORD BASED ON AN AFFORDABILITY ASSESSMENT. YOU WILL PAY A REDUCED RENT ON THE REMAINING SHARE.

This means that you need to get a smaller mortgage to buy the property, and will also need a smaller deposit.

You can buy more shares as and when you can afford them - this is called 'staircasing'. As you buy more shares your rent will reduce accordingly. You can eventually own 100% of the property, at which point you will pay no rent at all.

You will also pay a service charge, which will include building insurance and a management charge. As a homeowner, you will be responsible for the repairs and maintenance in your home.

Eligibility criteria

- Your household income is less than £80,000 a year
 - You do not own a home (if you are a home owner and wish to be considered for shared ownership you will first need to sell your current home)
 - Priority is given to serving members of the British Armed Forces, or former members who have been honourably discharged in the last 2 years.
- If you can afford to buy the property outright without Government assistance, you will not be considered eligible.
